

Return to Full Day Instruction

Updated 3/30/21

IMPORTANT

Important Details

As Candor Schools prepare to return to our traditional school schedule (Mon-Thurs) here are a few important details for students, parents and guardians:

- New full day instruction will begin **Tuesday, April 13, 2021**.
- With the 3 feet social distancing requirement and our return to a traditional daily schedule, if there is a positive COVID-19 case in school, *more students will be quarantined* through contact tracing than during our AM/PM cohort schedule.
- Upon reopening, it may be necessary to move students to a different classroom with a different instructor. Every effort is being made to minimize student and teacher changes.
- **Fridays will remain a remote-learning day for all students.** This will allow staff to plan for, coordinate and attend to the needs of our remote learners. It will also allow the district to deep clean the buildings on a weekly basis.
- As CDC guidelines allow for 3 feet social distancing, the regulations also **require students to wear masks at all times** except during the following :
 - Mask breaks, meals or outdoor instruction (all of these require 6 feet social distancing).
 - Times in classes when students can be seated, stationary and socially distanced at 6 feet.
- Teachers are encouraged to incorporate masks breaks into their instructional day.

High School

Student school day is 7:45 a.m. - 2:20 p.m.

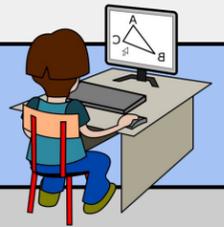

- All students, including remote-learners, will follow the [9 period schedule](#) Mon-Thur.
- Remote students will attend all classes virtually via Google Meet and must have cameras on for attendance purposes.
- No students will be allowed to stay after school from 2:30-3:15 p.m. due to contact tracing on busses (unless pre-approved by a building administrator or for sports).

Elementary School

Student school day is 8:45 a.m. - 3:15 p.m.

- Parents dropping students off for breakfast should arrive at 8:30 am.
- Parents picking up students should arrive at 2:50pm and will be directed to one of the two pick-up locations.
- Recess is built into the daily schedule and students will be required to wear masks.
- Remote teachers will share updates in remote learning schedules.
- Parents will be notified by April 1st if their child will have a different teacher.

Transportation

- Transportation will return to two bus runs: PK-6 and 7-12.
- Students and staff are still required to wear face coverings on the bus.
- Social distancing guidelines and cleaning protocols will be implemented to every extent practicable.
- Family transportation to and from school is highly encouraged, if possible.

Health and Safety

- Please continue to conduct the [daily health screening](#) before sending your child to school.
- All current protocols will remain in place (see full reopening plan document for details).
