

Candor High School Update - 3/20/20

Good evening parents and students. I hope all is well for you in these extremely challenging times. I want to thank you all for your cooperation, patience and understanding throughout this past week. The administration, faculty and staff will continue working hard to support the academic and social/emotional needs of your child for as long as needed throughout this crisis. Please remember that we are all available to answer any questions or concerns via email. You can find administration & teacher emails on the school website (candorcsd.org) under the “contact us” tab.

Obviously, technology is an essential component to instruction for the foreseeable future. It's important to understand that all Chromebooks and student Google accounts are filtered for inappropriate content as if students were in school. These filters remain intact while devices are at home, however parental monitoring is encouraged. If you have any technology questions or problems, please fill out the Tech Help Form at bit.ly/3dk6B35 and we will get back to you when we can Monday-Friday.

The school buildings continue to be closed to everyone but essential employees, so they are not accessible. If you must visit the high school building, please contact the high school office first to make sure someone will be available to meet you at the door and assist if possible.

I understand that there are still a lot of unanswered questions pertaining to education (proficiency exams, Regents exams, course credits, sports, graduation). At this point, the NYSED is focusing on short term logistical needs before providing answers for these longer term questions. The only item I can share at this time is that grades 3-8 ELA proficiency exams have been suspended. I will be sure to pass along any more information as I receive it in the future.

Again, thank you so much for your patience and support. Our thoughts and prayers are with our school community to stay safe and healthy.

Best wishes,

Wayne Aman
Candor Jr. / Sr. High School Principal
