Parents/Community

Dear Parents, Guardians, and Community Members:

Due to the State of Emergency and required school closure, the Candor Central School District will continue its education efforts through a combination of on-line learning and communication with students through email.

Students will be contacted by their teachers no later than Wednesday, March 18th, with instruction beginning on Thursday the 19th.

During this school closure, our priority is to maintain a strong connection with students and families. All of our professional educators are ready and available during the school day to answer questions regarding the instruction provided.

We are also preparing pickup times for students' belongings and we will be distributing information on our food service program in a separate message in the near future.

Thank you as we work through this entirely new delivery system of education. We look forward to getting back to business as usual, but until then, please feel free to contact us if we can be of assistance.

Respectfully,

Jeffrey J. Kisloski
Superintendent
