

# ORDERS FOR OVER THE COUNTER PRODUCTS

CANDOR CENTRAL SCHOOL

Student's Name \_\_\_\_\_ Grade \_\_\_\_\_ Date of Birth \_\_\_\_\_

In order for the school nurse to administer any over-the-counter products to your child, **we need your permission and a health care provider's order**. Below is a list of products commonly used in the school setting. Please review the list, cross off any items that you do not want your child to receive, then have it signed by your child's doctor. Please return the signed form to the nurse's office.

1. Anbesol or Amphojel: Apply as needed per package instructions for tooth pain.
2. Antacid Tablets: Give as needed for relief of heartburn, sour stomach or acid indigestion per package instructions.
3. Calamine Lotion: Apply as needed per package instructions to temporarily relieve itching associated with rashes, insect bites and minor skin irritations.
4. Cough Drops: Give as needed per package instructions to temporarily relive minor throat irritations and coughs.
5. Hydrogen Peroxide: Apply as needed per package instructions to cleanse skin.
6. Petroleum Jelly: Apply as needed per package instructions for chapped skin, lips and other minor skin irritations.
7. Rubbing Alcohol: Apply as needed per package instructions to cleanse skin.
8. Triple Antibiotic Ointment: Apply as needed per package instructions to minor cuts, scrapes and burns to help prevent infection.
