

# CCSD Reopening Summary

If schools are allowed to reopen for in-person instruction, *the Candor Central School District believes that the hybrid-learning model offers tremendous advantages to our students academically, socially and emotionally.* However, a remote-learning option is available. We appreciate everyone's flexibility and understanding as we navigate through these rapidly changing circumstances. Next week a survey will be sent to families and posted on the school website. We hope this summary helps you with making decisions for the 2020-2021 school year.

## Instructional Model Definitions

- **In-person learning:** students are allowed to attend classes on the school campus
- **Hybrid-learning:** a combination of in-person and remote learning offered in multiple formats
- **Remote learning:** students will engage in instruction while at a remote location such as home

## Schedules

- CCSD will return students to school using an A.M. / P.M. cohort schedule Monday through Thursday.
- Fridays, with the exception of holiday weeks, will be remote learning days.
- Cohorts will be created based on an alphabetical split with consideration of households/families and students with disabilities.

## Health and Safety

- Daily meals (breakfast and lunch) will be provided.
- Masks will be worn by all staff and students when required by district procedures, CDC guidelines and Department of Health requirements.
- Daily health screenings will be required for students and staff.
- Schedules will be created to minimize student movement.

## Instruction

- There will be consistent student expectations for both in-person and remote learning instruction.
- Students will be held accountable for assignments and coursework.
- Attendance will be taken daily for in-person and remote learning students.
- Students will be expected to provide and use their own supplies.
- Chromebooks will be provided to all students.

## Transportation

- Students and staff will be required to wear face coverings on the bus.
- Social distancing guidelines and cleaning protocols will be implemented.
- Family transportation to and from school is highly encouraged, if possible.
