

Candor Alumni Banquet Update

We have been in a holding pattern waiting to see how things played out at the state level so we could make a decision regarding the 2020 Alumni Banquet. Unfortunately, this year's banquet will need to be canceled due to the closure of the school for the remainder of the school year. The annual newsletter will still go out. Keep an eye on this site for updates and for the newsletter to be posted, and expect to receive your usual email notification when the newsletter is available online. The 50 year class will have their newsletters mailed first class postage. Alumni older than the fifty year class for whom we do not have emails will receive their newsletter in a bulk mailing after the newsletters are printed and we can figure out social distancing to prepare them to be mailed. The newsletter is going out later this year while we wait to get some of the logistical details ironed out, but that information will be included in the newsletter.

If you have information for next year's newsletter, please contact Nancy King at nking@candorcs.org. If you have email changes or updates, or address changes, please email those to Denise Ahart at dahart@candorcs.org.
