

Extra Resources for PreK-2nd Grade Families

	<p>Virtual Zoo or Aquarium Visit</p>	<p>Go on a virtual zoo or aquarium visit. Many zoos and aquariums around the United States have webcams for kids to visit with the animals. Here are some: Monterey Bay, San Diego, Houston Zoo, and Georgia Aquarium.</p>
	<p>Bird Activities</p>	<p>The Cornell Lab has some fun (bird) activities for kids. Check them out here!</p>
	<p>Animals Dinosaurs & More</p>	<p>Want to learn more about animals? Go to PebbleGo. The username and password are candorelem. Besides animals, there are four other categories: science, biographies, social studies and dinosaurs. There's a Read More tab for animal and science eBooks too!</p>
	<p>Story Time from Space</p>	<p>Would you like to hear a story from outer space? Go to the Story Time From Space site and hear a story read by an astronaut.</p>
	<p>Story Videos</p>	<p>Rather hear a story back on Earth? Check out Storyline. It's a free site that has story videos read by actors.</p>

	<p>Digital eBooks</p>	<p>Looking for digital children's books for free? Check out Abdo Digital through May 31st. Select Beginner or Elementary under Grade Group.</p>
	<p>Body Breaks</p>	<p>Need to get some energy out? Try Go Noodle at home for free. There are great weekly dance, workout, and calming videos with related activities.</p>
	<p>Daily Dose of Play</p>	<p>Marbles Kid Museum has a Daily Dose of Play video found on YouTube. Check it out for some family learning fun.</p>
	<p>DIY Activities</p>	<p>Tinkergarten has DIY activities for families. Maybe you can find one of interest?</p>
	<p>Early Learning</p>	<p>Don't forget about Sesame Street online. Young learners might enjoy the games, videos, and art ideas found on Sesame Street.</p>
	<p>Videos & Games</p>	<p>PBS Kids has free kid videos and games. You can sign up for a parent newsletter and get daily activity/learning tips.</p>

 <p>ABCmouse.com® Early Learning Academy</p>	<p>More Games</p>	<p>ABCMouse.com has a lot of learning games for children. Go to this access page and use the code: SCHOOL5836. You will then be directed on how to set up a free account.</p>
 <p>Be a Dinosaur</p>	<p>Even More Games</p>	<p>Yup, even more games... Check out this site for some goodies. Create a free account.</p>
 <p>STEM FROM THE start</p>	<p>STEM</p>	<p>Here is a STEM site for PreK-2. Parents can sign up for a free account. Parents and children can explore many fun, engaging science video lessons.</p>
 <p>TYNKER</p>	<p>Coding Puzzles</p>	<p>Try some free Hour of Code puzzles using Tynker. It's a perfect time to code!</p>
 <p>Calico Spanish</p>	<p>Learn Spanish</p>	<p>Want to learn Spanish? Calico Spanish is offering a free PDF of ten lessons for families. Go to their site and scroll down to the middle to request the PDF.</p>
 <p>Nomster Chef</p>	<p>Cooking</p>	<p>Want to cook together? See Nomster Chef for some kid-friendly recipes.</p>
